

EXPRESSION OF INTEREST.

Temple Shalom is seeking the services of a committed and energetic Rabbi who will provide the spiritual leadership necessary to sustain and grow our community.

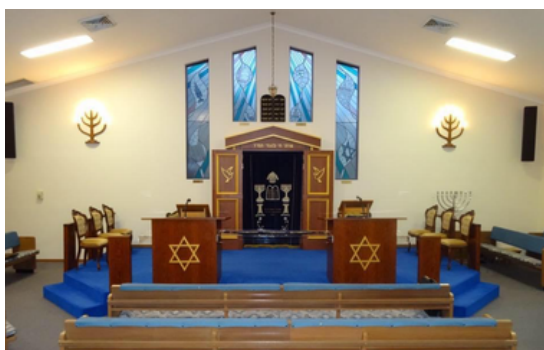

Gold Coast Queensland

Temple Shalom is situated on the Gold Coast in South East Queensland, Australia, in an area famed for its natural beauty.

With a warm climate, 60 km of pristine surf beaches, spectacular waterfalls and easily accessible unspoilt hinterland rainforests, the Gold Coast provides a relaxed healthy lifestyle with all the advantages of a modern coastal city.

Temple Shalom

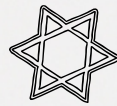

We are a well established community, serving the needs of progressive Jews on the Gold Coast, but we know that if we are to develop and grow further, we need the services of a full time Rabbi.

Over the last two years the Board of Management and the Congregation have put in place a strategy which will allow us to employ a full time Rabbi, while at the same time ensuring the long term financial security of our community.

We are delighted that we are now in the position to begin the process of finding the right Rabbi to lead our congregation and we are seeking expressions of interest from suitably qualified persons.

We asked our members for one word describing the qualities that they would like their Rabbi to display.

These are some of their replies:

Committed Empathetic
Approachable Experienced
Musical
Humorous Inclusive
Enthusiastic
Honesty
Energetic
inventive

If you possess these qualities and have the passion and drive to be the spiritual leader of our close-knit community, we would love to hear from you.
